

Hamed Nouri | Delivery Manager & Customer Enablement Specialist

Denton, TX 76207 • work@nouri.cc • +1 214 245 0784 • hamednouri.com

Implementation delivery and customer enablement specialist with experience supporting SaaS/product rollouts, onboarding, training, documentation, stakeholder alignment, and post-launch adoption. Skilled at coordinating technical and non-technical teams, translating requirements into clear implementation resources, and improving user adoption through rollout planning, knowledge base content, KPI tracking, and customer-facing communication.

Core Strengths

- **Implementation Delivery & Rollout Support:** SaaS rollouts • Launch planning • User readiness • Post-launch adoption • Change communication
- **Customer Enablement & Training:** Onboarding content • Training materials • FAQs • How-to guides • Release notes • Support resources
- **Project Coordination & Stakeholder Support:** Timeline coordination • Task tracking • Cross-functional communication • SME coordination • Follow-up • Issue escalation
- **Documentation, Analytics & Adoption:** Knowledge base content • Power BI • Usage data • Survey feedback • Support trends • Adoption metrics

Relevant Experience

CiraConnect — Communications Manager | Plano, TX

Nov 2021 to June 2025

Led SaaS communications, documentation, training, and adoption support across multiple teams.

- Crafted updates, FAQs, guides, and training content for SaaS platform changes and AI releases.
- Built knowledge base content and user-facing documentation to improve self-service.
- Coordinated cross-functional teams to clarify changes and improve rollout readiness.
- Used Power BI, usage data, surveys, email engagement, and support feedback to increase adoption by 28% and reduce support requests by 22%.

Notable Project: Enterprise Software Adoption & Enablement

Supported CiraNet v1 → v2, Google Workspace → M365 migration, roadmap communication, AI release messaging, user guidance, and feedback loops that reduced adoption friction.

Aya & Sura, LLC — Content & Product Manager | Denton, TX

Aug 2021 – Present

Lead product development, quality review, and digital learning support for an education brand.

- Managed learning products across flashcards, web content, and software resources.
- Reviewed product content and approval workflows for clarity, consistency, and value.
- Coordinated contributors, partners, and reviewers to keep product work organized and aligned.

Notable Project: RPG Flashcard iOS App Development

Leading development coordination for an iOS learning app focused on shared progress, habit-building, social learning, and community motivation. Built project plans, task checklists, AI-assisted workflows, QA review processes, and SME/creative asset coordination systems.

MManga — Founder & Community Growth Lead | Remote

May 2009 – Present

Led cross-cultural creative media projects, community growth, contributor operations, and international manga-related programming.

- Built publishing workflows, contributor systems, editorial standards, and community updates for original comic, Webtoon, animatic, and translated content.
- Organized and presented at Manga x Middle East Forum — Tokyo 2018, coordinating international contributors and panels with Japanese manga professionals.
- Grew audiences to 21k+ on Instagram, 25k+ on Facebook, and 44k+ on Webtoons through consistent content, publishing, and community engagement.

Notable Accomplishment: NHK National TV Feature

Contributed to a nationally aired NHK feature highlighting cross-cultural storytelling, community impact, and manga as a bridge between Japan and global audiences.

JET Programme — ALT & Communications Coach | Tokyo, Japan Jun 2017 – Jun 2020

Delivered English communication instruction, cross-cultural programming, and school/community engagement in Japanese public schools.

- Created reusable lessons, slides, newsletters, posters, and event materials for students and staff.
- Used Japanese language ability to coordinate with teachers, administrative staff, business office staff, students, parents, and community members.
- Founded and led a multicultural club, organizing events with international guests and cultural exchange activities across school and community settings.

Notable Accomplishment: Kizuna Award Recipient

Recognized for contributions to cross-cultural exchange, student engagement, and school/community programming in Japan.
